The Lungfish music band is now operating in its nineteenth year. The group's consciousness alternately / simultaneously coalesces and disperses creating a continuous quasi-musical pulse which reaches climax at semi-monthly public performances.

"Feral Hymns" was recorded by Tim Green (The Fucking Champs, Nation of Ulysses) at Louder Studio in San Francisco, California in the Fall of 2004, was mastered by John Golden and Tim Green at John Golden Mastering and released on June 13, 2005.
